

CLIENT SAFETY

I know the Surrey Place Client Bill of Rights. I will be a part of planning my services and making choices.

If I am not feeling well on the day of my appointment, I can call Surrey Place or my Surrey Place worker. They will tell me if I should come to Surrey Place.

I will tell Surrey Place if I am taking medications. I will bring a list of my medications and let them know if anything changes.

I will tell someone at Surrey Place if I fall or hurt myself. They will help me and tell me what to do.

Everyone should be treated with respect. Rude words or actions are not allowed at Surrey Place.

I should always feel safe in my body and my feelings. I can ask questions and tell Surrey Place what will make me feel safe.

I will tell Surrey Place if I have a medical condition or allergy. I will let them know how they can help.

To stop the spread of germs, I will wash my hands with soap and water or use hand sanitizer. I will wash my hands when I enter the Surrey Place building, or if someone suggests I should.

I will tell Surrey Place if I am worried about my safety. We need to work together to stay safe.
