## JOINING AN EVENT

### Confirmation Email & Event Link

- a) If the event does not require an eligibility secondary screening, then you will receive a registration confirmation email immediately after registration
- b) If the event requires an eligibility secondary screening, then the link to the event will only be sent once eligibility is confirmed

### Joining the Event via Web Browser

#### Step 1

Open your registration confirmation email and click on the link

Registration confirmation for [your event]

CRM Dynamics  
To

This message was sent with Low importance.

### Step 2

Click on “Open Microsoft Teams”

Open Microsoft Teams?

https://teams.microsoft.com wants to open this application.

Always allow teams.microsoft.com to open links of this type in the associated app

Open Microsoft Teams Cancel

How do you want to join your Teams meeting?

Download Teams (work or school)  
Use the desktop app for the best experience.

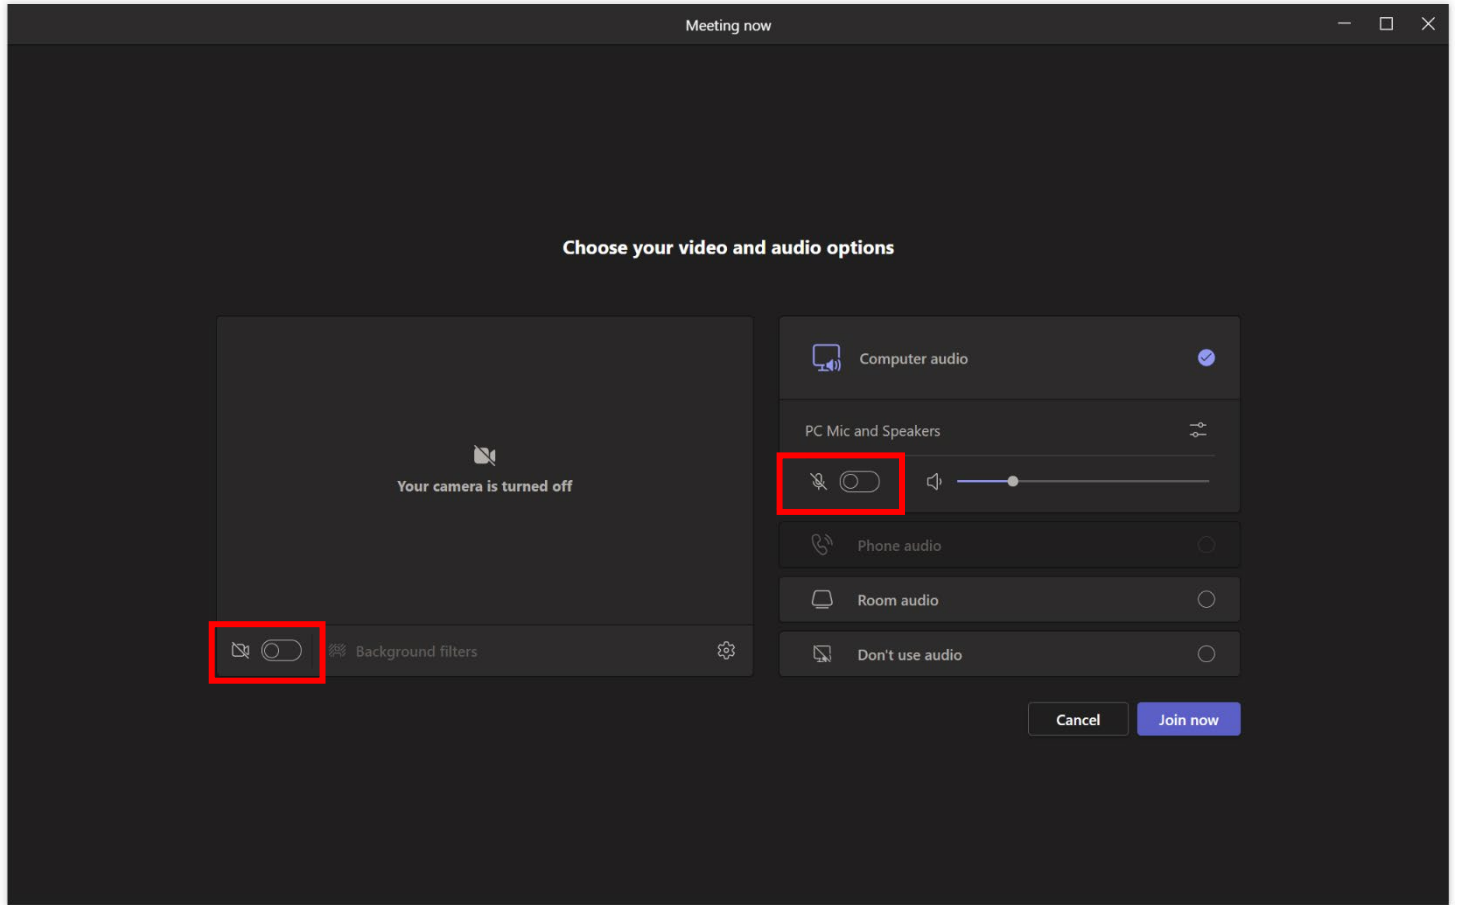

Continue on this browser  
No download or installation required.

Open Teams (work or school)  
Already have it? Go right to your meeting.

## Step 3

Toggle the camera and mic to OFF

(Note: you will have the option to turn the camera and mic ON during the event upon facilitator request)

## Step 4

Click "Join now"

Choose your video and audio options

Your camera is turned off

Background filters

Computer audio

PC Mic and Speakers

Phone audio

Room audio

Don't use audio

Cancel **Join now**

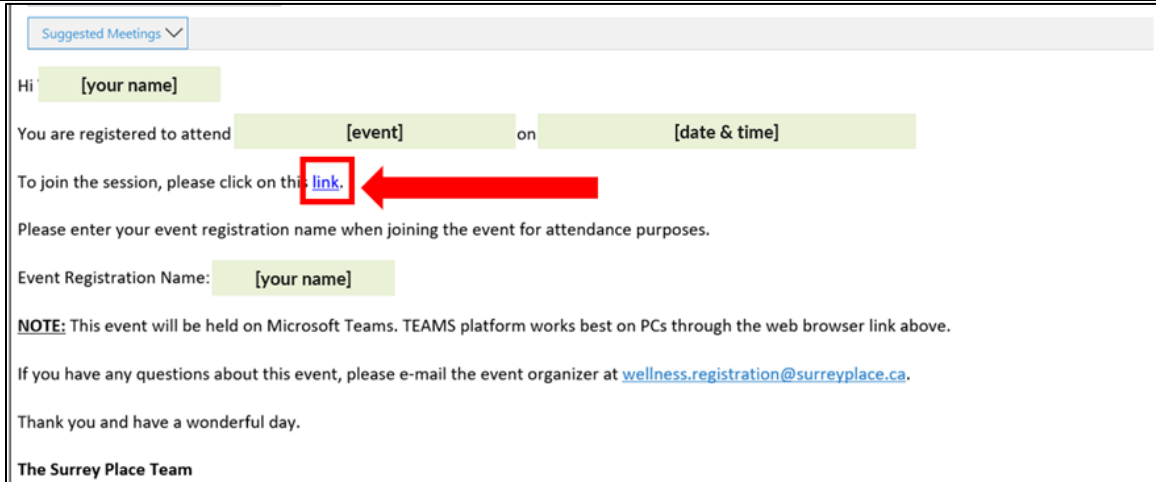

A screenshot of a video conferencing interface. The main area shows a video feed that is turned off, with the text "Your camera is turned off" and a camera icon. Below the video feed are controls for "Background filters" and a settings gear icon. To the right, there are audio options: "Computer audio" (checked), "PC Mic and Speakers" (with a volume slider and a muted/unmuted toggle), "Phone audio", "Room audio", and "Don't use audio". At the bottom right, there are two buttons: "Cancel" and "Join now", with the "Join now" button highlighted by a red rectangular box.

To leave a meeting, select **Hang Up**  in meeting controls

### Desktop App

To leave a meeting, select **Leave**  in meeting controls

### Mobile Device

To leave a meeting, select **Hang Up**  in meeting controls

## TROUBLESHOOTING

### Where can I find the link to join the event?

- The link will appear in your confirmation email at the time of registration, as well as in a reminder email you will receive 1 day prior to your event
- Note: please check your junk/spam folder

### What should I do if my link does not work, or it gives me an error message?

- Attempt to open the link in your web browser (preferably Microsoft Edge or Google Chrome)
- Close all opened browsers before clicking on the link
- Restart your computer
- Note: You are not required to download the Microsoft Teams desktop or mobile app to join the event

### I am experiencing audio/visual issues while attending the event

- Check the Teams audio settings to make sure the correct speaker device is selected
- Check that the speaker device is not muted, on low volume or switched off
- Leave the event, close all opened browsers (or the app if you have it), re-join the event
