LEAD PARTNERS

The FASD Family Capacity Building Workshops Resource List was made available by lead partners the Coordinated Service Planning Provincial Network, Surrey Place, and Reach Out Centre for Kids (ROCK).

[The Coordinated Service Planning Provincial Network](#) comprises a consortium of 28 Coordinated Service Planning Lead Agencies from across Ontario. As sponsors for the workshop with funding from the Ministry of Children, Community and Social Services (MCCSS), the Network comes with extensive knowledge of FASD in terms of research, the provision of clinical and family support services and the delivery of the FASD Worker program.

[Surrey Place](#) helps children and adults living with developmental disabilities, autism spectrum disorder, and visual impairments reach their full potential. They offer a variety of groups and workshops for clients, families and caregivers, as well as extensive education and consultation services to community agencies. Surrey Place has two FASD diagnostic clinics as part of their Children and Youth, and Adult programs.

[ROCK](#) has been the lead for the Halton FASD collaborative since 2014, which is made up of Education, Hospital, Justice, Addictions, Child Welfare, Mental Health, Developmental Services, Parents and Caregivers. The collaborative's mandate is to build awareness, identify and address gaps through the provision of a FASD diagnostic clinic, a multidisciplinary resource team and FASD support workers.
