Parental Self-Efficacy in Primary Caregivers of Autistic Youth

Primary caregivers of youth with autism aged 6-18 and who live in Canada are invited to participate in a 30-minute online survey. Participants will be entered into a draw for 1 of 15 \$20 gift cards (odds of winning are 5.8%).

Please contact Rita Abdel-Baki at emotions@uoguelph.ca or visit <https://bit.ly/3CGzcMv> to participate.
