

AAC Strategies Training for Caregivers

VISION

*Living Your Potential
- All Your Life!*

MISSION

We help people of all ages with developmental disabilities and autism spectrum disorder to lead healthy and socially inclusive lives using our exemplary skills in interdisciplinary clinical services, education and research.

OUR VALUES:

- Collaboration
- Accountability
- Innovation
- Respect
- Responsiveness

STRATEGIC DIRECTIONS

- Strengthening Our Capacity
- Bridging Gaps in the System:
- Building Upon and Leveraging Our Life-Span Model
- Shaping the Future
- Building a Centre of Excellence

What is it?

The Augmentative Communication and Writing Aids (ACWA) program is hosting a training for caregivers who are supporting a person who uses augmentative & alternative communication (AAC). This training will provide an introduction to using AAC and teach you strategies to build communication skills. Participants will receive a take home package with resources and materials.

How long is it?

A one-time 2-hour group event (caregivers only)
A one on one optional follow-up visit with an ACWA clinician

When and Where is it being offered?

Friday May 31, 2019, 10am – 12pm
Location: Zarfes Room, 2 Surrey Place, Toronto, M5S 2C2
