

VISION

*Living Your Potential
- All Your Life!*

MISSION

We help people of all ages with developmental disabilities and autism spectrum disorder to lead healthy and socially inclusive lives using our exemplary skills in interdisciplinary clinical services, education and research.

OUR VALUES:

- Collaboration
- Accountability
- Innovation
- Respect
- Responsiveness

STRATEGIC DIRECTIONS

- Strengthening Our Capacity
- Bridging Gaps in the System:
- Building Upon and Leveraging Our Life-Span Model
- Shaping the Future
- Building a Centre of Excellence

Let's Communicate! AAC Programming Workshop: Proloquo2Go

What is it?

A workshop for caregivers that have a family member using Proloquo2Go. This workshop will help support families in using and editing Proloquo2Go. Caregivers are encouraged to bring a device with Proloquo2Go on it to practise and follow along throughout the workshop.

How long is it?

A one time 2 hour **caregiver only** group workshop.

When and Where is it being offered?

Time:

- May 24th 2019, 1-3pm,

Location:

- Percy Board Room, 2 Surrey Place, Toronto

****This is an open session. You do not need to be a client at Surrey Place to attend.****
